

## A feast for ears as well as eyes at Lovegrove Gallery

Internationally known artist Leoma Lovegrove likes to surround herself with music for inspiration. Whether strumming her guitar, listening to her mom play a mini accordion, or picking and choosing recorded pieces that have meaning to her, Lovegrove's preferences are sometimes unexpected.

Visitors to Lovegrove Gallery and Gardens are greeted with an assortment of music as eclectic as the artwork. So many of them inquired about the tunes they heard that Lovegrove decided to make her own personal play list available through the iTunes Store at
